

***Rosemead School of Psychology
Undergraduate Program
PSYC 450 – Directed Field Work Contract***

I (name of student) _____ hereby contract with (name & credentials of supervisor) _____
of (name of agency) _____
to work a minimum of _____ clock hours (minimum of 45 per unit of credit) on site to fulfill the time requirements for this
applied field work experience. My duties will include the following: _____

as well as any others deemed appropriate by me and my supervisor.

The objectives of this experience will include:

Obtaining exposure to and work experience in this setting including appropriate literature;

Practically applying the knowledge and skills of psychology as appropriate;

Learning as much as I can about the setting and work done there, both via direct experience and by reading literature regarding the type of agency and services provided (as recommended by my supervisor); and

Describing and critiquing my experience and what I have learned in a reflective paper (between five and eight pages in length & consisting of approximately 75% description & critique and 25% discussion of the literature read and its application to my experience).

My responsibilities will include:

Working cooperatively with the staff;

Meeting periodically with my supervisor for feedback and instruction; and

Fulfilling all responsibilities assigned to me in an acceptable manner.

My work will be evaluated by my supervisor using the evaluation form provided.

Date submitted: _____ Work will be completed _____ term of 20__
