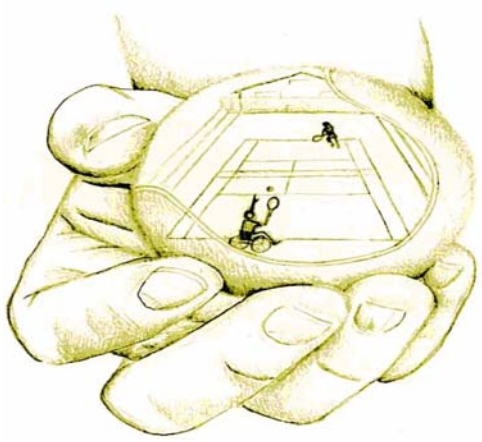
You are Part of Biola's Tennis History!

Where were you when you hit YOUR FIRST SERVE? For many it was at BIOLA – others have served at Biola. As work progresses on the expansion of the tennis complex, we hope that you will join us in leaving a permanent mark of your support.



- You can be part of the design around center court. We have personally engraved bricks to show your support. This program helps to create a sense of community and will show your pride in Biola and its tennis program.
- For a contribution of $250, we will have your sponsorship on a 4"x 12" brick paver. You can include a message of up to 3 lines as shown on the order form below.
- For a $100 contribution, you can show your support on the 4" x 8" paver. You can include a message of up to 3 lines as shown on the order form below.
