

Based on Carnegie Mellon Early Course Evaluation form

**Instructor** \_\_\_\_\_

**Course** \_\_\_\_\_

The purpose of this evaluation is to gather input so that I can improve this course and how it is taught and therefore help you improve your learning. I am the only one looking at your responses, and I will report back to you on the feedback I receive.

1. What are the strongest features of this course and of my teaching? In other words, what contributes most to your learning?

2. What specific suggestions do you have for changes that I can make to improve the course or how it is taught?

3. Is the pace of the course:  
too fast            just right            too slow

4. What course material or subjects have been the most interesting to you thus far?
