Note: Students who have not had two years of the same foreign language must take an additional four units to fulfill their language requirement (see Biola catalog for details).

* Torrey Honors Thesis is optional for graduation. Required for Torrey certificate. Students must have required number of units for graduation.

NOTE: This curriculum chart is designed with your major department and is one way that the classes will work out properly in sequence for your major. However, there are alternative flexible ways to rotate some of the classes within the same year/level and sometimes between year levels. Please contact your major department advisor to discuss flexible alternatives in scheduling the sequence of your classes.

Use the unit value as recorded on your last copy of transfer evaluation.
