

Winter 2006

Dear Applicant,

As you continue to finalize your college plans, we want to make sure you are aware of an opportunity available to you through our scholarship programs. We are excited to offer the **Community Service Scholarship**.

The primary focus of this scholarship is to bring students to Biola who will exhibit servant leadership. We're looking for students whose Christian faith has made an impact on their community, and whose spiritual growth will continue to affect others after enrolling at Biola. If you are interested in applying for the Community Service Scholarship please read the enclosed information and fill out the application.

The scholarship is worth \$2,700 the first year, and has the possibility of renewal for three additional years. All recipients are expected to participate in one of many leadership opportunities each year at Biola in order to renew the scholarship. Leadership suggestions will be provided to scholarship recipients. As with all financial aid at Biola, the amount of state, federal and other University aid may be adjusted to coordinate with the Community Service Scholarship.

**To be eligible for this scholarship students must:**

- **live on campus**
- **complete the application process for admission to Biola by January 15, 2006**
- **submit the scholarship application NO LATER THAN February 15, 2006**  
(Recommend postmark by February 10, 2006)

A scholarship committee will review applications the last two weeks in February, and recipients will be notified soon thereafter. Approximately 90 students will be awarded the Community Service Scholarship for the fall of 2006. The competition is tough, but if it sounds like the Community Service Scholarship could be a good match for you, we would encourage you to apply.

Please let me know if you have questions. I can be reached at (562) 903-4752. We are excited about your interest in Biola and welcome your application for the Community Service Scholarship!

Sincerely,

Andrea Helmuth  
Community Service Scholarship Chairperson

**An Important Note:** The Community Service Scholarship may not be combined with the academic or SURGE scholarships. If you are notified of an academic scholarship above \$2700, your application for the Community Service Scholarship will not be included in the applicant pool. Thank you!
